

How to get to Forest City, Johore by public transport from Singapore

Here is a map showing the route of Causeway Link CW4 from Jurong East MRT, to Tuas CIQ and CIQ Second Link.

- a) Take a MRT to Jurong East MRT station
- b) Go to the bus interchange and take Causeway Link CW4 (fare \$4.50). It will take you to Tuas CIQ. You have to go through Singapore immigration and continue with CW4 (it may be a different bus as your earlier bus have left) but it is still considered as the same journey. The bus will take you to the Johore CIQ. You have to go through Malaysian immigration.
- c) After leaving the CIQ, do not continue with CW4. Instead, call a Grab taxi to take you to Forest City Sale Gallery. It should cost RM15. Make sure you have Grab app installed on your phone.

The frequency of the CW4 bus is between 10 to 30 minutes depending on the time of the day.
